Identity to destiny

LIV4CHANGE DISCIPLESHIP SCHOOL IS COMMITTED TO INVESTING INTO FUTURE GENERATIONS. WE ARE PASSIONATE ABOUT REVEALING AND RESTORING TRUE IDENTITY THROUGH DISCIPLESHIP, AS WELL AS GIVING AN OPPORTUNITY TO SERVE THE VISION AND COMMUNITY OF LIV VILLAGE.

## What is LIV4Change Discipleship School?

---

LIV4Change exists to help young people journey their walk with Christ by revealing and restoring identity, intentional discipleship, active internship work, whilst giving the opportunity to serve the vision and community of LIV Village.

In the first semester of the school, students attend intensive discipleship teaching into identity whilst serving the holistic vision of the village. This could involve general maintenance, school support, community projects, praying for the village, and interacting with the children after school. In semester two, students are placed in a particular department, this could include being a PA, joining the marketing team, assisting in school, maintenance work, sports or music, teaching assisting in the early years centre, working in LIV creative, etc. Teachings and intentional discipleship will continue throughout the entire 6 months.

When God gave Tich Smith the vision of LIV in 1997, he spoke about Sonship and children knowing a loving Father in Heaven. We believe this program gives everyone the opportunity to enter into that promise, realise their potential and what life in abundance can look like daily, despite our age.

## Lifestyle

---

LIV4Change Discipleship School expresses authentic culture, living Biblically which is a contagious lifestyle! Throughout the School each individual will receive teaching and guidance into healthy spirituality, work ethic, lifestyle (eating habits and exercise) and appreciation of those around them from different cultures.

This holistic discipleship school encourages healthy body, mind and spirit. Purposely designed to extend students limits through an intensively planned schedule to serve the village, alongside regular group teachings, exercise, individual reading and written assignments, living together. A weekend off per month is needed and group trips are organised. Other social events are regularly put on to embrace community living and rest.

## Serving

---

LIV Village is a unique family and community which students are welcomed into. With that comes responsibility to honour the culture of the family and serving with your whole heart. This will include: Promiseland (children's church), LIV School support, LIV events, cleaning accommodation, games with children on weekends, praying for the village, Friday night "Youth", sport, music, holiday clubs and village maintenance.

## Accommodation and food

---

All LIV4Change students stay on the village in the "Barracks" buildings. Students live together in the heart of the village enjoying family life with each other, overseen by staff. Food is supplied and picked up at the LIV Shop a short walk from the accommodation. It is students responsibility to make a rota including everyone in the cooking of dinner and cleaning up afterwards.

“LIV4Change has been the most incredible life changing experience. We have lived on the village as one body, with Jesus at the centre. It’s been challenging beyond belief, restorative and has unexplainably shown us the power, love and grace of our Father. The children are such a joy to be around and we have had the privilege to watch them grow in confidence and ability. LIV exists to ‘Rescue, Restore, Raise and Release’ children as stars. I find that I have been rescued, I am being restored and raised up to be a leader, leaving with a greater understanding of identity and the love of God.”

Jess Tyler (LIV4Change student)

- To actively and consistently honour the LIV4Change Discipleship School rules and boundaries set.
- That should anyone on LIV4Change dishonour these rules, that action would be taken to lovingly discipline them for the sake of themselves, LIV4Change and LIV Village. After discipline if this should consistently be an issue you may be told to leave the program and the Village.
- To wholeheartedly serve the Village for the 6 months that I am here.
- To commit to the people on my program, the community living at LIV Village and anyone else that therefore may visit.

- To be punctual at all times. If for an unseen circumstance I am late, to apologise to the group leader/ point of contact.
