A MESSAGE FROM THE LEADERSHIP TEAM

The 2019-20 financial year was one of significant growth for LIV Lukhanyiso. From the growth of our team on the ground, the expansion of our community outreach, to the incredible growth of our donor base. Without the continued support from our donors, we would not be closer to seeing the vision of a village in Grahamstown/Makhanda become a reality.

We are grateful to have many partners and contributors who share our passion to bring light and hope to the beautiful city of Grahamstown/Makhanda. We look forward to strengthening these relationships and bringing change on a large scale to our beautiful city.

Thank you for playing an integral role in LIV Lukhanyiso as we lay a strong foundation which will ensure organisational sustainability so that we can provide the best care to our most vulnerable citizens.

Together we can.

Lara Kruiskamp and Nomonde Ndlangisa
LIV Lukhanyiso Leadership Team
CASH DONATIONS FROM FINANCIAL YEAR 2020

We are so privileged to have many loyal partners who contributed towards our work in the last financial year. In total we received R 440 254,39 in cash donations, an indication that our young organisation is growing steadily. Donations have come from generous corporates, individuals (local and international) and churches, thank you to each one of you for playing a significant role in the work that we do.

We not only received donations in the form of cash, we also received R48 500 worth of in-kind donations. This number excludes the hundreds of items received as donations in the form of clothes, books, bedding, outings granted to some of the children we support, services, water donated by many during Grahamstown’s water crisis. This list could continue, each and every donation counts and has helped us to grow our organisation and continue to plan towards the big vision of having our village up and running in Grahamstown/Makhanda. Thank you.

RESCUE A CHILD. RESTORE A LIFE. RAISE A LEADER. RELEASE A STAR.
FUNDRAISING, MARKETING AND AWARENESS

The funding we received last year was key for us to start a rigorous fundraising and marketing campaign to attract more donors. We upgraded our marketing material and hosted fundraising events in Grahamstown and Johannesburg.

INFORMATION EVENINGS
We had an incredible first LIV information evening. The venue was packed to capacity with individuals from Business, Government, Church and the Community.

GBS Mutual Bank handed over a cheque for R200 000! They believe in our LIV vision and granted us this seed funding. It was also a fantastic opportunity to honour Colin Meyer, from Makana Brick, who has been key in Makana Brick donating the 32 hectares of land. We had such positive feedback from those who had attended the information evening, saying that it inspired them and gave them hope in a time where there is much despair in our beautiful country!

It was wonderful to have Mlondolozi Austin Moya, a LIV Durban Matriculant from 2018, join us for the event and share his testimony of how LIV has changed his life:

“My time at LIV has been the best time of my life, I met many loving people, friends and mentors. For me being part of the LIV family, meant that I was not alone. I was loved, appreciated, and encouraged to always do my best. I was given so many opportunities which I had only dreamt about, when I came to the village they became a reality! My highlight was a trip to the UK and Dubai in June 2016. Our LIV choir performed at schools, conferences and festivals and we did over 100 performances. Here I am today working towards my degree and achieving many more great things in life! I am filled with joy and I am very happy about LIV Lukhanyiso here in Grahamstown, I know that God has big plans for the people who are going to be working at LIV and for the community of Grahamstown”.

GBS MUTUAL BANK CHAIRMAN, OWEN SKAE HANDS A CHEQUE FOR R200 000 TO LIV LUKHANYISO’S LARA KRUISKAMP.
(From left) Jonty Fincham (GBS), Angie Marriner (GBS Board), Anton Vorster (GBS), Nomonde Ndlangisa (LIV Lukhanyiso), Lara Kruiskamp, Colin Meyer (Makana Brick), Pat Hornby (GBS) and Kevin Maree (GBS Board and LIV).
In November, we hosted a LIV Vision Information Evening at the Gordon Institute of Business Science (GIBS) in Johannesburg. We had the privilege of having the founders of LIV, Tich and Joan Smith join us. This event was attended by corporates, individuals and professionals whose services we require. At the event, we had an architect offer his pro-bono services to prepare a Spatial Development Plan for LIV Lukhanyiso. This service normally comes at a price of R100 000,00. Thank you

We were delighted to have Tshepong Guliwe, another outstanding young man who matriculated in 2018 from LIV Durban, present at the information evening. Tshepong had the room captivated as he shared his story of how he was rescued, restored, raised as a leader and released as a star! We are just so thrilled to have these young men part of our story as well!
**LIV LUKHANYISO ON WHEELS**

Another highlight was receiving a car! The incredible Sole Sisters, who ran 107km over 3 days in 2018 and raised R107 000 used the funds to buy LIV a car! This was made even more exciting through the generosity of Settler City Toyota who will be providing fuel and an annual service over the next year. We are going places through the support of so many incredible people. Thank you Sole Sisters and Settler City Toyota!

![Sole Sisters handing over the car]

**WOMEN COMING TOGETHER!**

We had the privilege of having two ladies conferences partner with us last year, raising funds for LIV Lukhanyiso and giving us the platform to share the vision with conference attendees. A big thank you to the ladies at Frontiers church in Grahamstown/Makhanda and the ladies at The Storehouse church in Port Elizabeth for your incredible generosity!

LAND USE RIGHTS

LIV exists to raise the next generation of leaders in our nation. We place vulnerable, parentless children into a family environment where they receive unconditional love, spiritual discipleship, care and nurturing and where all their needs are met. HIV/AIDS and poverty have resulted in many children being abandoned and orphaned. We want these children to grow up equipped with essential moral values and life skills to be a generation that will influence positive change within South Africa, Africa and the world.

In order to do this, we needed land to build our village and Makana Brick, under the leadership of Colin Meyer, has been very generous in donating 32 hectares of land in 2014. Since then, they have not faltered in their support of LIV Lukhanyiso. In 2019, an additional 6 hectares of land was donated to LIV Lukhanyiso, to ensure that only the best land parcel is available for LIV Lukhanyiso. Thank you to Makana Brick for their consistent support to see the vision of LIV Lukhanyiso become a reality!

TOWN PLANNERS COME ON BOARD

We were thrilled to have two amazing town planners come on board, pro-bono, to assist with the next steps needed to prepare the land for building our village. Istell Orton and Eriva Nanyonjo are from Citeplan and they have taken on the role of assisting us with the expertise needed to acquire our land use rights. In the course of the year, we have met with them numerous times, including a visit to our land. With the help of Citeplan, an architect has also donated his services to draw up a Spatial Development Plan. We are so grateful to have these dedicated professionals team up with us to see LIV Lukhanyiso become a reality!
PROPOSED VILLAGE LAYOUT

MATTHEW 5:14;16 (NIV)
“You are the light of the world. A town built on a hill cannot be hidden. Let your light shine before others, that they may see your good deeds and glorify your Father in heaven.”

LUKHANYISO

COMMUNITY OUTREACH

At the heart of LIV Lukhanyiso is community and in 2019, due to all the support we have received from our donors, we were able to continue building partnerships within our community. The year started out with great need in our town as we faced a water crisis. Home of Joy, a home we have partnered with for a number of years now, is in the Joza Township and desperately needed water to continue with daily activities for the 30 plus children in their care. As LIV Lukhanyiso, we sent out an SOS to our connections in the city and within hours we had pledges and donations for water. Two days after the call was made, thousands of litres of water were pumped into the water tanks at Home of Joy and nearly 100L were delivered in five litre containers! Water was also delivered to the Joza Clinic and to a local nursery school.

ONE FISH, TWO FISH, THREE FISH, FOUR...

In March we had the pleasure of partnering with Karoo Catch. They dropped off sausages and patties to various homes we assist at around the Eastern Cape. Furthermore, they made it possible for us to host a fun day for the children of Home of Joy who had lots of fun playing outside and were very well fed. Thank you Karoo Catch!
SELFLESS COMMUNITY
Throughout the year, we received multiple donations of clothing, books, puzzles, toys, bedding and more! Every one of these items is considered valuable in our eyes! Some of these items were sold in jumble sales to raise funds for LIV Lukhanyiso. However, the bulk of them were delivered to people in Joza Township who needed them most and who made great use of them. This included a very generous gift from DSG Junior of new mattresses to Home of Joy with money raised from their Mother’s Day lunch.

Groceries donated by a partnering family dropped off at Home of Joy over the December holidays

Donated bedding, toys, books and more being delivered at Home of Joy
LIV THOKOMALA
At LIV, we are all family! When the LIV group took over the running of 18 Thokomala Homes around the country, we at LIV Lukhanyiso were in the position to build community on the ground with the children at the home closest to us, the foster mother and social worker. In 2019, the main component of this relationship was providing therapy to the children of the LIV Thokomala home in Marseille near Kenton-on-Sea.

In a partnership with the Rhodes University Psychology Department, Wednesday afternoons from May through to October were dedicated to providing much needed therapy to the children at the home. Thank you to the Rhodes University Psychology department for allowing two amazing Masters Students to bring hope and light to these young minds!

Our first visit to the Thokomala home in Kenton with the Psychology students from Rhodes University

A Fairy Tale Story
A precious young girl from the LIV Tholomala Home in Kenton-on-Sea, told us that she would not be attending her matric dance as she had nothing to wear! Her dream was to wear a red dress! As soon as we heard this, we sent a message to our incredible Grahamstown community and within hours she was set up for a dress fitting with the prestigious Jason Kieck Designs in Port Elizabeth! He has designed dresses for Miss World and Miss South Africa! And he kitted her out with this red “show-stopper” dress from last year’s fashion show!

As she was getting ready for the matric dance, we received this message from Jason Kieck Designs: “While she is getting dressed, please read out Jeremiah 29:11 to her, it is on my heart for her at this very minute….and please tell her that the dress is hers for keeps….every time she wonders about everything, the dress can be the reminder that the Lord is with her!”

Thank you to Jason Kieck Designs and all the ladies from Grahamstown and surrounds who helped make this dream a reality.
IN Brillant VOIUNTEERS

MADIBA Day visit by DO MORE FOUNDATION
As you know July is MADIBA Month and we always love to celebrate Madiba Day with precious children just as Madiba would have had it! In 2019 we had a wonderful group of volunteers join us from the DO MORE Foundation in Port Elizabeth. We shared the LIV Lukhanyiso Vision with them, took them to the land where the village will be built and then they made a wonderful lunch for the children from the community and had a fantastic afternoon of arts and crafts with the children! It was a very special day!

Thank you DO MORE!

Volunteers from the DO MORE Foundation at Fairewood Centre, where they had a wonderful time with the children.

DESTINY TEAM VOLUNTEERS
We had the privilege of having 40 Volunteers from the Destiny Team at One Life Church in Pietermaritzburg come to Grahamstown and spend three days with us in October 2019. They worked hard painting a local community centre, picking up litter at the water spring and praying for patients at Settlers Hospital. We were so inspired by these vibrant young people who so selflessly gave of themselves to see others uplifted. We ended off the visit with a party with the children from Home of Joy and a visit to the LIV Lukhanyiso land.

Destiny team volunteers on the LIV Lukhanyiso land.
CHRISTMAS PARTY FOR HOME OF JOY
In December 2019 we hosted our third annual Christmas party. We had a wonderful time, coming together to share love, joy, laughter and smiles. A special thank you to the Poultney family and their friends who organised for a personalised gift to be given to each child.

HOW GLORIOUS A GREETING THE SUN GIVES THE MOUNTAINS- JOHN MUIR
The last month of the financial year started off on a high note when Aimee Addington, a friend of LIV Lukhanyiso, summited Mount Kilimanjaro in support of LIV Lukhanyiso. She achieved this great feat on the 7th of February, the morning of her 30th birthday. Thank you Aimee for sharing this exciting journey with us. Your heart for the children of South Africa and the Eastern Cape is beautiful and we are honoured that you chose us!
LIV LUKHANYISO ARTS AND CRAFTS

Our wonderful team of seamstresses have continued to flourish under the leadership of Robyn Smailes. In 2019, they completed numerous orders for individuals and corporates as well as an order for one of our local schools. Equipping and empowering women in our local community is a key component of Lukhanyiso Arts and Crafts. It was with great delight therefore that a new member was added to the team in the last financial year.

Patricia is our newest team member, her story fits right in to the LIV Story. She is a widowed mother, who is currently looking after her two children, two grandchildren and a great-grandchild! Through joining our Arts and Crafts programme, Patricia is able to provide for her family, and help us make the LIV Lukhanyiso dream a reality.

Well done to Robyn, Anesh and Patricia for their incredible work!

Anesh, hard at work on a donated sewing machine

SECTION 4

GROWTH AND DEVELOPMENT OF OUR TEAM

Through continued support, the LIV Lukhanyiso team has been able to expand. In 2019 we appointed our first fulltime, paid employee. This is a key milestone as we grow our organisation. We have also been able to attend two fundraising courses, as well as the annual LIV Group conference in Durban. These are all vital as we upskill our team to ensure long term sustainability of our organisation and establish best practice.

We are privileged to have an engaged and involved Board of Directors who provide invaluable support to those of us working on the ground. In July of 2019, our Board gathered for a day of strategising a sustainable plan for the next five years of our organisation.

Left to right: Kevin Maree, Nomonde Ndlangisa, Dave Koch, Kate Koch, Mongamo Dlulemnyango, Lara Kruiskamp, Benjamin van der Waal, Feziwe Dlulemnyango and Craig Farrell (Facilitator)

At the end of 2019, the LIV Lukhanyiso offices moved to the Fairewood Centre in Stones Hill. This is a great opportunity for us as we build community as we have access to the fantastic facilities at the centre for all our community programmes. A big thank you to the team at Fairewood for welcoming us and for ensuring that all the children we bring to the centre are always taken care of.
WHERE TO FROM HERE?

The key focus for LIV Lukhanyiso for this new financial year is to raise funds for our Land Use Rights to enable us to start with the necessary studies which are required to be conducted on our land parcel. We will be approaching corporate donors and foundations to sponsor the costs associated with our Land Use Rights.

The budget for Land Use Rights projects is as follows:

<table>
<thead>
<tr>
<th>BUDGET ITEM</th>
<th>COST</th>
</tr>
</thead>
<tbody>
<tr>
<td>EIA – Environmental Impact Assessment</td>
<td>R500 000</td>
</tr>
<tr>
<td>TECHNICAL STUDIES</td>
<td></td>
</tr>
<tr>
<td>Civil Outline</td>

<tr>
<td>Other (based on outcomes)</td>
<td>R100 000</td>
</tr>
<tr>
<td>TOTAL FOR LAND USE REQUIREMENTS</td>
<td>R1 510 000</td>
</tr>
</tbody>
</table>

In addition to raising funds for these activities, we will continue to grow our impact in the community by expanding our Arts and Crafts programme, hosting various income generating events such as music evenings, children’s craft days, pop up shops, night markets and other activities.

We have recently become a beneficiary in the MySchool, MyVillage programme, increasing our platforms to engage with individual donors. Growing our #100 club (individuals giving R100 per month) will also be a key strategy to attract individual donors as well as running a few crowdfunding campaigns specific to our Land Use Rights projects.
THANK YOU

Thank you so much for your contribution to making this year a success for LIV Lukhanyiso, it would not have been possible without your generous support. We look forward to a continued partnership with you.

Please feel free to contact us should you need any additional information.
